4/29/24 – Social Event with Alert Dog Graduation Ceremony at Frolic Brewery

Ten of our Foothills Kiwanis Club members and 15 visitors attended our Social Event and dog graduation ceremony. During the social event Alan conducted the graduation ceremony for Elle and her alert service dog, Indy. Elle, who has Type 1 diabetes, and Indy successfully completed the two-year academy program by demonstrating public access requirements and alert behavior. With the successful completion, Foothills turned over ownership of Indy to Elle at no cost to the family.

4/19/24 - Peak to Peak Builders Club Meeting

--Vince VanZago

The Builders Club met on April 19th and opened with their pledge. Following this, the group played a connect game where Rachel read song lyrics like poetry and the members had to guess the song. The first person who guessed correctly got a point. The point leader got a prize. President Prisha led with the most points. They also played a game of hide the huckle buckle. The real challenge was the service event which was to cruise the campus and pick up as much trash as possible. The challenge came because it was snowing hard at the time and very cold. But the kids braved through the weather and filled several bags of trash. The club faculty advisor, Rachel, and the Kiwanis sponsor, Vince, went with the kids and were just as cold and wet.

5/2/24 – Peak to Peak Key Club Meeting

--Bob Mohling

It was a planning meeting for the Key Club students. There are seven candidates for the officer, bulletin editor, and webmaster positions. Elections will be held at the May 10 meeting. This will be the final meeting of the school year. We will celebrate at the final meeting with Santiago burritos and soft drinks. Ms. Melber, Faculty Advisor, and five students plan to attend the 5/13/24 Foothills Kiwanis meeting. We want to recognize the accomplishments of both the Key Club and Builders Club at this meeting.

It was such a pleasure to meet you today. Thank you for the great turnout and support today, and for all the past times that your church family and Kiwanis have supported Colorado Feeding Kids (CFK) team. I personally look forward to many more interactions between CFK and Risen Savior Lutheran Church.
