Recent Meeting:

Two weeks ago Sister Bernadette Teasdale spoke to us about the Contemplative Dimensions of the Gospel. Most people want to connect with God. The best way to do that is through prayer. History has shown that it was radical to follow Christ. Contemplation in renewal is now the most normal goal again of the individual Christian Spiritual journey for all baptized Christians.

Note:

Don't forget to buy your Safeway & King Soopers Coupons every Monday morning. If you forget your check-book you can still pick the up and be billed for them. Liquor Mart Coupons are also available so don't forget to keep some on hand.
